Getting Started

To add a member, set up your membership page to get connected through our chatbot, so people can find you, and you can find them.

1. Copy one of the word documents from the templates folder into the “Members” Google Drive folder.
2. Add the new member’s name to the document, and title it with their name.
3. Share the link of the newly created document with the member.
4. Tell them to fill out the document.
