README

Getting Started

Welcome to the Austin AI Alliance!

Set up your membership page to get connected through our chatbot, so people can find you, and you can find them.

1. Add your name to the members word docs list
2. Copy one of the word doc templates into the "Members" Google Drive folder
3. Fill out the template. You can use our format, or create your own. Feel free to modify it with the information you find useful.
